

L5A2 BOL IR

Special Material reacts with oxygen to rapidly oxidize and generate an IR signature, virtually unobservable to the naked eye. Contains no pyrotechnics, uses BOL Dispenser series to expel material from decoy casing.

Features and Benefits

- ◇ Covert, Special Material, Proprietary patented technology
- ◇ Fits BOL Dispensers
- ◇ Environmentally Friendly
- ◇ Non-combustible

TECHNICAL DATA	
Shelf Life	5 years
Unpackaged	24 days
Air Carriage Life	60 hours
NSN	1370-99-455-1437 (16 pack)
Dispensing Systems	BOL
Aircraft	Typhoon, F-15, F-18, Harrier, Tornado, Gripen
PACKAGING	
Size	2" x 3" x 1/4"
Weight	54g
Hazard Class	4.2 G
UN Code	1383
