APPROVED PROCESSORS LIST**

1.0 SCOPE

This document contains a list of CED Approved Processors that are to be used by CED and CED Suppliers, under those restrictions noted herein. Use of non-approved sources is not permitted unless specifically authorized in the CED Purchase Order or via a signed Authorized Request for Waiver.

**When using this document, suppliers are cautioned to review the comments relating to each of the processors. This is to assure compliance with all restrictions imposed. Any questions regarding the acceptability of a processor should be directed to the CED Purchasing.**

2.0 QUALITY ASSURANCE

- CED Quality and Supplier Quality\* may add or remove a processor by initiating an ECO.
- CED Inspection will review processor certification upon receipt to assure that approved processors were used.

Printed copies of this document are uncontrolled. Check for latest revision. An asterisk after a job title means "or designee"
